Description of request, including cost components and any support required: For anti bullying day on Feb. 26th The Leadership class is making bracelets for the entire school. The request for funds is to cover the materials to make the bracelets. We have bought 20 packages of pink elastics so far at \$66.98, and are going to see how many that makes and possibly need to purchase more. Once project costs are final we could submit receipts as required. Thank you 😊		
Who will benefit? All students and teachers
