PAC Parents:

My name is Ronda Krafta and I am an Aboriginal Education Worker for SD#57. This is the second year I have been coming out to Giscome and thoroughly enjoy the time I spend with your kids and the staff. I have recently become a Delivery Partner for Kidproof Safety Courses so that I can teach the programs to your kids and at the other schools I support. This year's focus is on Youth Leadership and I would really like the kids to have an opportunity to take some of these courses. I would like to hear from parents on the PAC as to which courses they would like to see the kids take? I would be able to cover the Facilitator Training cost which is \$30 per course and I was hoping the PAC would help in covering the cost of the book for the students? I have attached a cost list and they are ordered in packages of 15, 20, or 25 depending on the course which average to be \$5 per booklet. All of the course overviews are online www.kidproofsafety.com and information about the organization. I do believe the Babysitters Course will also be offered later this year to the Grade 7 students as it was last year. There would be no other costs to you as I would be able to teach them during school hours on Fridays during whatever time works for the teachers. Feel free to email me or call with any questions, concerns and feedback whether you think this is something you would like the students to participate in. Thanks for your consideration ☺
