Description of request, including cost components and any support required: <p>The Leader in Me (based on The 7 Habits of Highly Effective People) teaches 21st century leadership and life skills to students and creates a culture of student empowerment based on the idea that every child can be a leader. The program offers a holistic, schoolwide experience for staff, students, and parents, and creates a common language and culture within the school.</p> <p>In addition to training members of staff, Southridge Elementary would like to include materials to be housed in the Learning Commons to support parent involvement in this initiative. The Southridge PAC is seeking a \$300 grant from the SD57 (Prince George) DPAC to help Southridge Elementary purchase parent guides and related reading materials.</p>		
How will parents benefit from this funding? <p>The Leader in Me Parent's Guide is designed to help parents and their children learn the 7 Habits at home. Parents use the guide to teach Leader in Me lessons and activities in a fun way, while enjoying spending time with their child.</p>
