CKPG News – December 21st – Kelly Road student assignment

## School District

Special Board meeting December 13<sup>th</sup>(Sarah Holland)

### **(Draft of) Presentation to Board – December 13<sup>th</sup>**

I'm presenting today on behalf of the District Parent Advisory Council, as our chair Gillian regrettably could not be here tonight.

It was so nice to hear the Tapestry singers at this meeting. Besides their beautiful voices, it's a reminder of why we're all here - our students. Everything that's done here should be looked at for whether or not it is for the benefit, or eventual benefit, of our students.

So for the staff of our schools, who are there every day for our kids - our thanks.

Thank you to our superintendent to coming out to our most recent DPAC meeting - on a cold and wintry night when so many people stayed home! Thank you to all our staff at the board office.

Thank you to board on their service, half way through their term - half way!

Since we're here, we should probably remind you about our regular points, about transparency, openness, consultation, and good decision making - I expect you may already know these are important to us.

Lastly, the gallery was privileged enough to hear the Tapestry Singers rehearsing. Their director Carolyn said something to them as they finished that I'm going to paraphrase - we appreciate you, have fun, and don't mess up.
