

SD57 School Specific Restart Plan

Updated: September 13, 2020

Each school is different, so using the SD57 Restart Plan as a guide, Principals have developed site-specific plans for the following areas. There is also a checklist to keep track of action items and protocols to be implemented. PACs can discuss these specific plans with their School Administration.

1. Plan for safely bringing students into the school.
2. Plan for breaks throughout the day.
3. Plan for lunch.
4. Plan to monitor common areas.
5. Plan to safely dismiss students at the end of the day.

SD57 School Specific COVID-19 Checklist/Safety Plan
