DEMONSTRATION WALK

There will be a demonstration walk for PGDTA members, families, and supporters of public education on **Wednesday March 7 at 11:30 AM** outside the old Integris Credit Union located at Parkwood.

Teachers want a fair deal!

Our working conditions are our students' learning conditions. We invite all supporters of public education, parents, students, labour, and the general public to come to the rally to show support and to hear about what the Liberal government is doing to public education!
