

New Changes to Partner Group Questions

Mar.2/2020

In an effort to maximize your time here and get the most out of our meetings we have a box, paper and pen set up at the entrance of the room (by the sign in sheet) for any questions* you may have for the partner groups**. You are not obligated to include your name and the school you represent but please know that if the Executive doesn't understand or needs clarification and has no way to contact you regarding your question, we may not be able to forward it on to the applicable partner group. If we receive a lot of questions (yay!) it may take more than one meeting for your question(s) to be answered. And of course please keep all suggestions respectful. We look forward to receiving your questions. Cheers!

*Partner Group questions are questions you may have about something that is happening in our district that the DPAC Executive gathers and forwards to the appropriate Partner Group to answer.

**Partner groups are representatives from the Board Office, Superintendent's Office, CUPE, Prince George District Teachers Association and the Principal and Vice Principals Association.
