Dear Parents/Guardians and Students

As you are aware, the Board of Education is currently reviewing their Strategic Plan and is seeking your input. We value the importance of our parent and student voice as we move forward with our planning.

We received great information in our [first engagement](#) and we are inviting you to participate once again to help us set our district direction for the next 3-5 years. Please participate in our second *ThoughtExchange* to provide thoughts, ideas or feedback on what you think our district should set as priorities.

By sharing your thoughts and rating the thoughts of others, your input will help us to ensure that the programs, services, and values of our district provide our students and staff with the best possible experience and outcomes.

As students, and parents your voice is important to us!

Please click [here](#) to access the engagement on setting the district priorities.

Quick Tips:

- This exchange is confidential. Your thoughts will be shared, but not your identity.
- Please be polite and respectful as you share and rate thoughts.
- If you see a thought that is rude, hurtful or identifies a person or group, you can report it by clicking in the upper right corner of the thought.
- You do not need to rate all thoughts in this exchange. It is appreciated and recommended to rate 30 thoughts over the time the exchange is open.

Sincerely,

Board of Education and Senior Administration
